

**Second Notice
for
Capital Region Airport Authority
Request for Qualifications (RFQ)
Solicitation No. 19-04
for
Planning, Architectural/Engineering, Construction Management and
Related Services for Terminal Modernization Program
at the Capital Region International Airport**

The Capital Region Airport Authority (Authority) plans to issue a Request for Qualifications (RFQ) Solicitation No. 19-04 the week of July 22, 2019.

Responses will be solicited for the purpose of contracting for the below listed services related to the multi-phase terminal modernization program at Capital Region International Airport (LAN);

- A) Planning, Architectural/Engineering and Related Services; and
- B) Construction Management and Related Services

The Authority seeks teams of businesses with proven success, skills, experience and knowledge in the planning, design, and construction of improvements to airport terminals and/or comparable public facilities. Experience in terminal planning, environmental processing, benefit-cost and financial analysis, constructability analysis, facility programming, architectural design, interior design, engineering, construction management and related professional services required to implement improvements to the public terminal and associated facilities within an active airport environment are desired.

The above referenced RFQ will be posted to the Capital Region Airport Authority website at:

www.flylansing.com/media

Please continue to monitor this website for updates.

A Pre-Response Conference related to the above referenced RFQ will occur on Tuesday, July 30, 2019 at 2:00 pm in the Community Room (baggage claim area) at the Capital Region International Airport (LAN) in Lansing, Michigan.
