Each Bidder is individually responsible for the careful examination of the site of the proposed Work, the Proposal, Plans, General Provisions, Technical Specifications, Contract Forms and all requirements of the project. The failure or omission by any Bidder to do so shall in no way relieve any Bidder from any obligation with respect to its bid. The Authority reserves the following rights: to accept or reject any or all bids; and to award the Contract to the most responsive and responsible Bidder whose bid is determined by the Authority to be in its best interest. Any and all proposals as submitted herein are subject to further negotiation at the option of Authority. No contract or agreement of any kind arising out of this proposal and/or negotiations shall be binding or valid against the Authority, its department, officers, employees, or agents unless such contract or agreement is in writing, has been authorized by the Capital Region Airport Authority Board of Directors, and signed by the Airport Director or his designee.
