

**REQUEST FOR QUALIFICATIONS 23-02
PROFESSIONAL ENGINEERING SERVICES
ROADWAY IMPROVEMENT PROJECT**

**RFQ ADDENDUM No. 3
ISSUE DATE: October 2, 2023**

This addendum is being issued in response to questions from an interested party.

1. **Q:** Is the reference project limit of 3 pages for 5 projects in total, or is the limit 3 pages for 5 projects per firm?

A: The limit is 3 pages per project, or a maximum of 15 pages total for the 5 projects.

2. **Q:** Have there been any traffic studies completed in the past? If not, what safety concerns have been observed?

A: See Addendum #2 for a copy of the Clinton County Road Commission – Capital Region International Airport Traffic Study.

3. **Q:** Is there a master plan, aesthetic design guide or any previously developed landscaping concepts at Capital Region International Airport?

A: No

4. **Q:** It appears that a portion of Port Lansing Road and Airport Road are in Clinton County's jurisdiction. Can you please verify the project's jurisdictional limits and if there are any airport or county specific design standards that are required?

A: All of Port Lansing Road lies within Clinton County. A portion of Capital City Boulevard lies within Clinton County, and a portion lies within Ingham County. Both of these roads are owned by the Capital Region Airport Authority; there are no airport or county specific design standards.

5. **Q:** Is there any period of time requirements for the reference projects?

A: No
