CALL TO ORDER & ROLL CALL
1. John Shaski, Chair, called the Regular Board Meeting of the Capital Region Airport Authority to order at 4:31 p.m. with a quorum present.

APPROVAL OF MINUTES
1. Victor Celentino moved the Board approve the minutes of the October 5, 2020 Regular Board Meeting and the October 19, 2020 Finance Committee Meeting.
2. Debbie Groh advised the Board that the following discussion was omitted from the Finance Committee minutes under New Business.
   There was discussion (after John Shaski exited the meeting) regarding any update from UPS about getting more cargo at LAN. Ron O'Neil brought up that there was contact from UPS regarding expansion/building a new facility. UPS would like to discuss what LAN could offer them by the end of the year. The discussion continued about what a new facility would cost and a $25 million dollar amount was brought up. Ron O'Neil said that in earlier discussion with City of Lansing, the infrastructure (water electrical & sewer) would need to be run from Sheridan Road. Dan Schiffer indicated that this might be an opportunity to get input from large contractors regarding infrastructure placement, and perhaps CRAA should look into a line of credit. It was also discussed that perhaps CRAA should communicate with UPS before the end of the year.
3. Victor Celentino made a friendly motion to amend the Finance Committee minutes to include this paragraph.
4. Daniel Schiffer, in reference to the Delta negotiations, asked if the changes to the rates and charges has to be retroactive to July 1, 2020. Rob Benstein stated that normally the reconciliation would take place at the end of the fiscal year; however, Delta would like to see the impact of any relief sooner.
5. The roll call vote was: Mr. Celentino, Yes; Ms. Groh, Yes; Mr. Leaming, Abstained; Mr. Schiffer, Yes; Mr. Ward, Yes; Mr. Shaski, Yes.
6. The motion passed.

RECOMMENDATIONS FOR ACTION

#20-31 Approval of Concessionaire Termination Agreement
a. Dan Schiffer moved the Capital Region Airport Authority Board approve the Concessionaire Termination Agreement with EMA Enterprises and authorized the President – CEO or designee to sign all related documents on behalf of the Authority.
b. Without a concessionaire, Victor Celentino asked what is going on. Rob Benstein stated we currently have vending machines available and plan to issue an RFI (Request for Information) to see if there is interest in operating the Brewport. We have also considered providing a Marketplace upstairs until traffic improves.
c. Jordan Leaming questioned whether the committees should approve their own minutes and if this is the first time this termination agreement has come before the Board. Dan Schiffer indicated yes; this is the first time the termination agreement has come before the full Board. The Finance Committee discussed it and directed staff to work with our attorney to draft a termination agreement. Jordan stated that our committee activity may be straying and questioned if we are sidestepping the monthly Board meetings. Dan Schiffer indicated that the Finance Committee doesn’t dictate or approve anything; we are advisory only. This resolution would have come before the Board anyway. Victor Celentino suggested determining what items should or should not be vetted by the committees. Jordan stated that he initially questioned whether the committees are formal committees or workgroups and was informed they are workgroups. If staff would have recommended this anyway, then okay. Jordan also questioned if we have charters for the committees. Dan Schiffer understood Jordan’s concern and will review the bylaws. Joe Brehler added that Jordan has a valid concern. The Finance Committee does not have the authority to authorize staff to negotiate before the agreement comes before the Board.
d. The roll call vote was: Mr. Celentino, Yes; Ms. Groh, Yes; Mr. Leaming, No; Mr. Schiffer, Yes; Mr. Ward, Yes; Mr. Shaski, Yes
e. The motion passed (5 Yes – 1 No)
